## STATEMENT OF PROBABLE CAUSE

On May 20, 2026, Blue Earth County Sheriff's Deputy Brian Baumann was dispatched to a report of a motor vehicle accident with injuries on the east side of Lake Crystal, Minnesota located within Blue Earth County. Witness 1 reported there was a vehicle off the road, and there was blood on a child's face (age 4).

Lake Crystal Police Chief Prescher had identified Matthew James McGuire (DOB 10/24/1995) as the driver of the vehicle with Minnesota license plate LMW277- a 1997 red Chevrolet truck. Deputy Baumann was able to review McGuire's driving status which indicated his status is valid but with restrictions of any use of drugs/alcohol invalidates his license and ignition interlock required. Upon arrival Deputy Baumann observed the red Chevrolet truck partially in the ditch, brushing/hitting a power pole.

Police Chief Prescher and State Trooper Elzen were on scene and were able to gather the following information. There were three rear passengers, Victim 1 (DOB 8/22/2019), Victim 2 (1/7/2024), Victim 3 (DOB 3/2/2021). All were examined on scene in the ambulance. Additionally, there was damage caused to Victim's 4 and 5's property.

Deputy Baumann made contact with McGuire on scene. McGuire provided a summary of what had occurred. He indicated that his brakes were not working properly and has had issues with them in the past. He believes he was traveling anywhere from 45-50 mph. Witness 1 who saw McGuire's driving stated that McGuire's red truck appeared to be traveling "fast" and gaining on the vehicle in front of it. McGuire said he has an ankle monitor that tests for alcohol through his sweat and has had this for approximately 8 months. McGuire does not have an intoxilyzer in this vehicle due to the ankle monitor, thus it is not required. McGuire did state that even though he does not have an intoxilyzer in his red truck he does have one in his other vehicle but is not required to have one in this vehicle due to some work permission and driving a work truck, saying some might call this a "loophole."

At the scene of the accident McGuire was unable to provide proof of insurance. He stated the insurance was on his phone, but his phone was dead. McGuire was instructed to provide proof of insurance once his phone regained power. Later in the afternoon McGuire sent a picture message to Deputy Baumann's phone showing a Progressive insurance policy number coincidentally with an effective date of 5/20/2026. Deputy Baumann followed up on the insurance policy and spoke with a representative of Progressive Insurance who indicated the policy to be effective at 12:23 p.m. It should be noted that the motor vehicle incident occurred at approximately 8:05 a.m. on 5/20/2025.

Through Deputy Baumann's interaction and speaking with McGuire. Deputy Baumann observed McGuire to appear visibly nervous and defensive when questioned about the incident. McGuire stated that he had a special insurance policy. Deputy Baumann asked McGuire to perform field sobriety tests. During the HGN test Deputy Baumann noticed involuntary jerking movements in both eyes. McGuire also appeared to have very small pupil size. McGuire was informed of this and was moved out of the sunlight and into the shade. McGuire's pupil size did not change. Based on this Deputy Baumann placed McGuire under arrest and transported him to the Blue Earth County Jail. While there Deputy Baumann applied for a search warrant for McGuire's urine/blood. The search warrant was signed by The Honorable Judge Betters. McGuire was informed of this and agreed to provide a sample. McGuire provided a urine sample. The sample was sealed and placed into BCA packaging. The sample was then mailed to the BCA for analysis on 5/20/2026. On July 16, 2026, Deputy Baumann received a report on the examination of physical evidence from the BCA concerning Matthew James McGuire and the 5/20/2026 incident. The report indicated that a controlled substance listed in the Schedule I or II, or its metabolite, has been identified.

McGuire has qualified prior impaired driving incidents/convictions

07-CR-20-1985- Refuse to submit to chemical test; Breath or test refusal or failure- Felony
