STATEMENT OF PROBABLE CAUSE

On June 12, 2025, at approximately 11:26 PM, officers of the Mankato Department of Public Safety were dispatched to a report of a gunshot and a male screaming at Residence 1. As officers responded, additional calls to dispatch were made reporting more gunshots and dispatch could hear gunshots during the additional calls. Officers arrived on scene and observed the glass door and window to the main entrance of Residence 1 shattered. Officers also observed what appeared to be bullet holes in portions of the entry way.

Officers Cook and Koss could hear a voice inside that sounded like someone requesting help. They made entry into Residence 1 and observed Victim laying in the hallway on his back with apparent blood on the abdomen area of his shirt. There was also a pistol, magazine, bullets, spent shell casings, and a plastic bag filled with apparent marijuana products near Victim on the ground. Victim was unable to move and stated he did not know who shot him. Victim also stated he shot out of the main entrance to get attention and help. Officers moved Victim to a safer location. Victim was unable to move and stated he could not feel his legs. Victim received emergency, lifesaving medical care. Victim suffered a gunshot wound to the upper right abdomen and exited through his back. Victim suffered a lacerated liver and extensive damage to his spine.

Officers collected 6 9mm shell casings and 4 live 9mm rounds from the area Victim was located. On the opposite end of the hallway, law enforcement located a single spent 5.56 rifle round spent shell casing. The plastic bag contained just over 236g of suspected marijuana, 49 suspected THC cartridges, and 2 glass jars of purported marijuana wax that weighed a total of 252g.

Multiple residents of Residence 1 were spoken with, including multiple individuals that called 911. These individuals heard an initial loud bang or gunshot, a male cry out, and then additional gunshots. The first 911 caller told officers they heard what sounded like a gunshot, they heard a male screaming, and then 2 more gunshots went off. The other individual that was with the 911 caller indicated he heard one loud bang, then a male yelling for help. Soon after the first shot, he heard two more shots, followed by 4 more shots. Another resident indicated they were sleeping in their apartment when they woke up to the sound of one gunshot. They then went to the apartment door and did not see anyone. They then heard additional gunshots and a person was whaling followed by more gunshots. Another individual told officers he could hear a commotion and people talking outside of his residence and then he heard the shots. It sounded like a handgun. He heard someone state "I'm not gonna rob you, there are three of you and one of us" just prior to hearing the gunshots. He then heard footsteps running away and a weak voice calling for help before calling 911. Another individual that called 911 reported hearing one initial bang. They then determined they would call 911 and they heard a male voice cry out and then they heard 4-5 more shots.

During the course of the investigation, the Mankato Department of Public Safety learned that Ahmed Mohamed Mohamud (DOB 08/06/2006) was present at Residence 1. Using phone data, social media data, and surveillance cameras investigators learned Mohamud had went to Residence 1 with Suspect 1, Suspect 2, and Suspect 3 for a pre-arranged drug transaction between Victim and Suspect 1. Suspect 1 selected Residence 1 as the location of the transaction. They left Suspect 1's residence shortly before the shooting in a vehicle consistent with a vehicle Mohamud drives. They went to Residence 1, which is owned by Suspect 1's family. Following the shooting, Suspect 1's mother picked him and Suspect 2 up in a field near Residence 1. Suspect 2 told Witness 2 they ran because they heard gunshots, Suspect 2 then denied he was at Residence 1. Suspect 2 stated he was at Suspect 1's house all night. Suspect 3 had hidden on a different level of Residence 1. He had a large amount of cash with him. After being released by law enforcement from the scene of the shooting, Suspect 3 traveled back to Suspect 1's home. Mohamud left Residence 1 in a vehicle and then traveled up to the St. Cloud area and the Minneapolis/St. Paul area

following the shooting. Investigators located images of Mohamud holding an assault rifle pistol and in possession of various firearms in the days before and after the shooting.

Witness 1 stated she had arrived at Residence 1 to pick up Victim. While Witness 1 was waiting in the parking lot, she heard gunshots and then drove further away from Residence 1 to avoid getting shot. Witness 1 later reported to officers they thought Victim was going to meet up with a person identified as Suspect 1.

Mohamud also communicated with Witness 3 following the shooting. In those communications, Mohamud asks Witness 3 whether he forgot the gun in his car. Mohamud clarifies he is referencing the big gun on the floor, "the 556".

Victim told first responders he saw 3-4 males in the apartment and one of them shot him and one of them threw a handgun at him and then they left. He then grabbed the handgun and shot out of the front of the building to get help. Victim also told officers he didn't remember what happened, but was able to provide some details of the incident. In a later statement, Victim stated he was not forthright with officers when he had previously talked to them about the shooting. Victim reported Mohamud, AKA Ablicc, is the person that pulled the trigger. Victim had arranged with Suspect 1 to sell marijuana product to him for \$2,000. Suspects 1, 2, and 3 were talking with him in the hallway of Residence 1 and the situation was "iffy" and "just off". Victim believed they may have been trying to rob him. Victim put down the bag of marijuana product and Mohamud came around the corner and shot him with what he described as an assault rifle pistol. Investigators are aware the caliber of ammunition most commonly associated with an assault rifle pistol is a 5.56 caliber. Victim stated he did bring the handgun with him, but he never once pulled it out of his waistband and he had his shirt over it. When Victim was shot he dropped to the ground and pulled out the handgun and fired it so he could be heard.

The investigation is ongoing.
