## STATEMENT OF PROBABLE CAUSE

In October and November 2026, the Cannon River Drug and Violent Offender Task Force was conducting an investigation into the sale of controlled substance by Tyler Anthony Caputo (dob 12/02/1992). On November 17th, agents received a warrant to search, among other things, Caputo's residence.

Caputo was detained while at the Blue Earth County Probation office. Caputo agreed to speak with agents. Caputo admitted to selling dope. He stated he typically sells a ball at the most, sometimes a quarter. When asked if he was selling just methamphetamine or fentanyl too, Caputo stated he doesn't mess with fentanyl. Caputo advised there is a "zip" in a glass jar sitting out in his bedroom.

Agents are aware that a ball commonly refers to 3.5 grams, a quarter commonly refers to 7 grams, and a zip commonly refers to an ounce or approximately 28 grams.

Agents went to the residence to execute the warrant. Agents made contact with Witness 1 in the garage. Witness 1 said she is the main person on the lease, but sub-leases a bedroom to Nicole Marie Hansen (dob 1/6/1986) and Caputo.

Agents were aware that Hansen had an active felony-level warrant for her arrest.

Agents went into Caputo and Hansen's bedroom. Agents located Hansen hiding in the closet under some clothes. Agents observed the bed covers and blankets were disheveled. Agents found a Glock 26 9mm loaded pistol within the covers. Agents also found a glass jar within the covers. The glass jar contained suspected methamphetamine which weighed approximately 42.55 grams without the glass jar. Agents also located a 9mm magazine with 11 rounds of ammunition in a nightstand drawer, 26 9mm bullets located in a black box in the closet, multiple clear plastic zip bags in a purse, and a digital scale that field tested positive for methamphetamine in the nightstand drawer by the 9mm magazine.

Agents found various documents bearing Hansen's and Caputo's names in the bedroom.

Hansen spoke with agents. Hansen said Caputo is her boyfriend and they reside in the room together. Hansen said there might be a scale in the room but denied knowledge of any other controlled substances or firearms. Hansen admitted they use about a gram of meth a day.

Witness 1 later told agents that Caputo and Hansen would bring methamphetamine into the residence and provide her with some.

Both Caputo and Hansen are prohibited from possessing any firearms or ammunition for life based on previous convictions. Specifically, Caputo was convicted of 1st degree-controlled substance possession on June 28, 2021, in court file number 46-CR-21-541; murder in the 3rd degree on March 2, 2016, in court file number 07-CR-14-842; and 4th degree-controlled substance sale on March 2, 2016, in court file number 07-CR-14-842. Hansen has previously been convicted of felony 5th degree-controlled substance possession on three separate occasions in court files 70-CR-18-17369, 07-CR-12-3560, and 07-CR-13-216.

Hansen was transported to New Ulm Detox center and a Warrant is requested.
