STATEMENT OF PROBABLE CAUSE

On November 24, 2026, officers for the Mankato Department of Public Safety were investigating a theft of an e-bike that occurred between 8:00 PM on November 23 and 4:00 AM on November 24, 2026. Through investigative measures, officers learned that Heaven Sarai Lange (DOB 5/23/89) and Ibrahim Mohamed Ibrahim (DOB 8/3/97) had arrived at Lange's residence at approximately 4:43 AM with the stolen bike and entered the residence. Officers conducted surveillance at the residence and obtained a search warrant for Lange's residence to search for evidence related to the theft.

During the investigation, officers learned Ibrahim had active warrants for his arrest out of Blue Earth County.

Lange's residence is located in a public housing zone.

The search warrant was executed on Novembe 24, 2026. When officers arrived at the front door to Lange's apartment, children could be heard inside. Officers located Lange and Ibrahim inside the residence, along with Lange's three children. The childrens' ages ranged from 7 months old to 9 years old. Ibrahim was escorted out of the residence. Located on his person were two glass pipes that had a white and dark colored burnt residue consistent with pipes used to smoke methamphetamine or other controlled substances; both pipes field tested positive for methamphetamine.

During the execution of the warrant, officers observed the stolen bike and, in plain view, numerous narcotics items. Based on those observations, a subsequent search warrant to search the residence for narcotics and related items was obtained. During the search of the residence, officers located a white circular pill that field tested positive for cocaine and weighed .12g. The pills was located next to a syringe and a container of Narcan in the restroom on a low shelf accessible to small children and next to a large quantity of children's toys. Also located in the residence was multiple other drug parapharnlia, including a small vial containing white residue that field tested positive for methamphetamine, a glass pipe with a rubber tube affixed that contained a burnt residue that field tested positive for methamphetamine located on a shelf in the living room accessible to small children, and a bent glass pipe containing a burnt residue that field tested positive for methamphetamine was located next to two straight edge razor blades. Officers also noted knives, cannabis bongs, and a whippet canister were found in places accessible to children in the residence.

Additionally, Sergeant Wood noted the condition of the apartment was "horrid" and the children and dogs in the apartment appeared malnourished. Sergeant Wood observed the apartment to be extremely cluttered. The beds and floors were covered in tubs, piles of objects, and clothes. Right next to what appeared to be a changing table, Sergeant Wood observed baby powder and diaper rash powder near a tubed smoking device connected to a glass pipe that contained a white residue consistent with narcotics. Sergeant Wood also noted a very pungent odor of cat urine and feces in the residence, and a considerable amount of rotten food in the fridge, cupboard, pantry, on the counter, and on the stove. There was a sign on a cabinet that read "Please don't do coke in the bathroom." Sergeant Wood also located vaping devices, scales, several mirrors that appeared to be consistent with narcotics use, and additional narcotics paraphernelia intermingled with items that appeared to belong to children.

Sergeant Gilbertson also noted numerous narcotics items were near children's items and within easy reach of the children that were present, including a narcotics pipe appeared to have been made out of a Gerber baby food lid.

Lange stated Ibrahim asked for a ride from her via text, so she gave him a ride to her house. When doing so, Lange stated she left her three children home unattended. Lange stated Ibrahim brought meth and

bongs, and he was smoking meth in her apartment. Lange otherwise denied knowing Ibrahim's real name, denied being in a relationship with him, and denied involvement with the stolen bike. Ibrahim declined to provide a statement to officers.

The incident remains under investigation.
